ANNUAL REPORT OF THE ACADEMIC YEAR 2020-21

REPORT OF ONLINE TEACHING

- As people were confined to their homes due to the Corona Virus Pandemic, we experienced an explosion of education shifting online.
- To keep the students active, engaged and positive, SNCS took initiative to start online education for the students.
- On 24th March, Principal Gargi Sharma instructed the HOD's of different departments of SNCS to come up with some planning for online teaching using Flinnt Application.
- Teachers were asked to collect resources related to their subjects and mail it to the HOD's.
- Further it was sent to school's e-mail id for maintaining the record and to keep a track on online teaching.
- Teachers uploaded the content of chapters in the form of video links as per the Timetable.
- The questions and answers along with notes were also sent to students for better clarity of content
- Higher secondary and secondary teachers started their lectures with **Zoom Meeting**. It was a very good initiative and we received a good response from the students.
- Students joined online meetings at the given time schedule by the teachers in advance using the password and ID given to them.
- In a nut shell online teaching proved to be a great relief to the students and the parents where we could channelize the energy of the students in a productive way.
